

PRESENTED BY

SUNRISE TO SUNSET JIMMY FUND GOLF TOURNAMENT

6 WAYS TO FUNDRAISE

1 Fundraise with food

Call your go-to restaurants and ask if you can post flyers at registers or in deliveries.

2 Gather 'round the table

Place a table in a highly-trafficked area in your town to recruit members for your team or ask for contributions.

3 Make a self-gift

Forgo your morning or afternoon caffeine fix and kick-start your fundraising with a contribution to yourself.

4 Get social

Ask for contributions through Facebook, Twitter, and Instagram. You can link friends and family directly to your personal fundraising page with one click.

5 Host an event

Turn your favorite activity into a fundraising event. Whether it is a bowling or kick-ball tournament, you can raise money while having fun with friends.

6 Dedicate golf balls

Offer to write the names of your donors' loved ones on the golf balls you will use on event day. Send the ball with a thank you note after the event.
